JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

ardous to health; or that the same shall, by reason of offensive odors, become a source of discomfort to persons living or passing in the vicinity thereof.

2. A polluted well, spring, or stream, or the pollution of any body of water used for drinking purposes.

3. The maintenance of any privy vault or cesspool, except as hereinafter provided.

4. Keeping any building or room in such a state of uncleanness, or the crowding of persons in any building or room in such a manner as to endanger the health of the persons dwelling therein, or so that there shall be less than 400 cubic feet of air to each adult, and 150 cubic feet of air to each child under 12 years of age occupying such building or room.

5. Allowing cellars to be used as sleeping rooms.

6. A building or portion of a building occupied as a dwelling which is not lighted and ventilated by means of at least one window in each room, said window opening to the outer air; which is not provided with a plentiful supply of pure water.

7. The accumulation of manure unless it be in a properly constructed pit or receptacle.

8. The accumulation of water in which mosquito larvæ breed.

9. The maintenance, in a public place, of a roller towel for the use of more than one person.

10. The slopping or feeding of cattle or other animals on distillery swill, within the sanitary limits of the city, unless the inclosure wherein such slopping or feeding is done be provided with means for preventing and removing the insanitary conditions associated with such slopping or feeding.

11. Any person violating any part of this section shall, upon conviction, be fined not less than \$10 nor more than \$100, and each day's continuance of any such nuisance or condition mentioned herein shall be a separate offense.

Stables and Manure. (Ord. 149, July 9, 1913.)

SEC. 4. *Special regulations—Stables.*—1. Every person owning or leasing any stable or other building where any horse, mule, or any cattle are kept shall maintain a substantial and sufficient receptacle which must be so constructed and kept as to protect the contents from rain, and to be so screened as to prevent access to flies, and all manure from such horse, mule, or cattle must be placed in such receptacle.

2. All persons owning or leasing any stable where more than six head of horses, mules, or cattle are kept shall have all manure from such animals removed from their premises twice in each week from the 1st of May to the 30th of September, and at no time shall the same be allowed to accumulate in such a manner as to become a nuisance. In no event or circumstance shall any manure be thrown or deposited in any alley, street, or public place, or suffered to remain in such places.

3. Every owner or lessee of any stable shall at all times keep, or cause to be kept, the building and premises in a clean and sanitary condition.

4. No person hauling manure through the streets shall permit the same to litter the streets.

5. Any person violating any part of this section shall, upon conviction, be fined not less than \$10 nor more than \$100, and each day's continuance of any such nuisance or condition mentioned herein shall be a separate offense.

Barbers and Barber Shops—Sanitary Regulations. (Ord. 149, July 9, 1913.)

SEC. 5. *Barber shops.*—1. Every barber's shop within the city of Lexington shall be open to this board for inspection at any time, and the following rules shall be observed therein:

(a) All barber shops, together with all furniture, shall be kept in a clean and sanitary condition.
